Chapter 2

DOG PARKS

The OC covers 948 square miles and is home to over 3.2 million people. With so much land you would think there would be some great places to take your dog to enjoy the amazing weather we have here is Souther California ... And you'd be right! From dog parks to a beach for dogs The OC has something for every dog

Huntington Dog Beach

100 Goldenwest St. Huntington Beach

Hands down the most well-known and appreciated dog park in Orange County is Huntington Dog Beach. Located at one of the most famous beaches in the world, being the site for the U.S. Open of Surfing every year, Huntington Dog Beach is a special space for man's best friend. The beach is open from 5:00 am to 10:00 pm every day of the year. Legally dogs must be on leash but the website explains that typically only aggressive unleashed dogs are removed or cited. Most dogs at the beach are left to roam around and make friends. It's a great atmosphere for dog enthusiasts. Tips from visitors include bringing fresh water for you and your dogs and also spending an early morning at the beach to avoid the crowds and take advantage of free parking before 8am.

Irvine Central Bark Dog Park

6405 Oak Canyon Rd. Irvine

At nearly 3 acres the Irvine Central Bark is one of the premier dog parks in Orange County for pups to run and play off-leash. The park is open daily 6:30 am to 10pm, but closed Wednesdays for maintenance. Expect healthy, real turf, doggy water fountains and bowls for refilling, separate small and large dog areas and tennis balls to play with. The park is also handicap friendly. A tip from other visitors: weekdays are relaxed with fewer dogs. Also, be advised that the park is not easy to spot from the road so be sure to drive slowly in order to catch the entrance.

Laguna Beach Dog Park

20672 Laguna Canyon Rd. Laguna Beach

If you're looking for one of the most posh dog parks in Orange County, the Laguna Beach Dog Park is the place to go. This 2-acre park is a beauty. The healthy green grass contrasts beautifully against a backdrop of chaparral and bare rock encrusted canyon walls. The park is open daily from dawn to dusk, but closed Wednesdays for maintenance, as well as during and after rainy days. The park is separated into individual small breed and large breed areas. Parking is along the street and metered from 8:00 am to 7:00 pm daily.

La Paws Dog Park in Mission Viejo

25100 Felipe Rd. Mission Viejo

Another gorgeous, highly rated location, La Paws Dog Park is a pristine, must-try park for your pooch. The park features great views of Saddleback Mountain and surrounding foothills along with typical dog park amenities. The 3-acre park features 3 separate areas, 1.5 acres for large dogs, .5 acres for small dogs and .1 acres for single owner use. The dog park was designed for minimal environmental impact and thus has an unpaved parking lot and other environmentally friendly landscaping features. La Paws is open daily 7:00 am to 8:00 pm, but closed Thursdays from 7:00 am to 1:00 pm for maintenance.

Olive Hills Dog Park

700 S Nohl Canyon Rd. Anaheim

Located on the east side of Anaheim, Olive Hills Dog Park is a beautiful and popular new facility. The park is open daily from dusk to dawn. The space features ample parking, artificial turf, separated small dog and large dog areas, water fountains, fun agility equipment and lots of rocks and plants to explore. One tip from visitors is that the artificial grass makes it difficult to "fully" clean up dog waste, so come prepared if you can (wet wipes might be in order).

Costa Mesa Bark Park

890 Arlington Dr. Costa Mesa

The 2-acre park is located right next to the OC Fair Grounds. Costa Mesa Bark Park features separate small dog and large dog areas, water fountains, lots of shade and ample parking. The park is easy to get to right off the 55 Freeway. The park is open daily 6:00 am to 9:00 pm, but closed Wednesdays for maintenance. Visitors do advise that some owners bring aggressive dogs, so be extra cautious. Besides that it is very popular!

Arbor Dog Park

4665 Lampson Ave. Los Alamitos

This park is a favorite in the area due to its spaciousness, plenty of parking, water fountains, waste bags and seats for owners. Arbor Dog Park is a great place to let your pups roam free off-leash and meet other dogs. There is no separated space for small and large dogs. The park is open from dawn to dusk daily, but closed Thursdays from 8:00 am to 12:00 pm for maintenance. Other visitors advise to always keep an eye on your pet, as there is no separation for smaller and larger breeds. In addition, there is no lighting so be ready to head out when the sun sets.

Fullerton Pooch Park

201 S. Basque Ave Fullerton, CA 92832.

Fullerton Pooch Park is another leash-free facility that's great for canines of all sizes. Keep them separate in the small and large dog areas or let them mingle in a third wood chip area that is open to all dogs. It's a place where your furry friend can socialize and learn some doggie manners. This park has seating for pet parents and is lighted in the evenings. While water bowls and doggie bags are standard, the best part about this pooch park is the basket of dog toys at the entrance.

The Park Bench Café was opened in 1988 by its proprietors, Mike and Christie Bartusick. Our outdoor cafe has established itself as a hidden gem among the locals and dog owners. Being family owned and operated, (you might even catch a glimpse of Grandma), has given this eatery a home-away-from-home feel. In addition to family, staffing of numerous employees provides the appeal and operation of a full-fledged restaurant that can seat 150 guests at one time. As hectic as it may get, especially during the summer months, Mike and Christie are always striving to make your dining experience one of your favorites.

Although the large menu provides many delicious breakfast and lunch entrees, it's the doggie menu that gets the most attention… and laughs. Since 1993, the Canine Cuisine menu has proven to be a hit with dogs and their owners, to the extent that it has attracted media attention worldwide.

CREATING COMMUNITY

Artistic Environments, Great Food & Unique Gifts
Zinc Cafe & Market has a reputation that goes back to it's beginnings in 1988 for it's unique, international style.
John Secretan, owner and operator, got his inspiration by the 70's and 80's food movement happening in San Francisco. His desire was to create a cafe that offers great simple food with casual community based service.

With the growing demand of the cafe came the "Market". It was at this time that his mother Rosemarie Secretan took over menu creation and began to develop all the recipes that Zinc is now known for. The mother and son team have continued to keep up with the expansion of Zinc to it's current three locations with great food, great atmosphere and a unique housewares & gift department that continues to change and enhance the customers experience.

You can experience Zinc Cafe & Market in the Southern California neighborhoods of Laguna Beach (the original), Corona del Mar and Downtown Los Angeles (Arts District).

Our Story
We have a long-standing tradition of hospitality in the Simms family and have gathered the knowledge and traditions of three generations to create something we hope will be a special place for you and your family. As a kid, I treasured my time spent enjoying the Rocky Mountains and now, more than ever, I cherish the time I get to spend there with my family. I've always wanted to find a way to share that small mountain town vibe. Inspired by unplanned adventures, an enduring love of food and fireside conversations, Lazy Dog was created to do just that.

We have sourced ingredients from places and farmers we love and respect. Each ingredient we use is carefully picked and prepared. We make every meal by hand each day, including all of our sauces, marinades and dressings. We also have a seasonal menu, which is our ode to the current season, and where we celebrate Mother Nature's beautiful bounty the best way we know how. If you have any questions or feedback about our menu, please don't hesitate to share them with us here. I hope we will be your home away from home!

We are so happy you are here.
