

Private Dog Walks and Pet Sitting Visits:

Golden Days offers drop in pet visits and private dog walks in your home and neighborhood. Dog walks can be anything from a slow sniff and smell potty break, to heart-thumping exercise, or anything in between. We do not gather multiple dogs from different households; we are exclusively with your pet. This allows your walker to spoil your dog with their time and attention..

Your pet sitting service includes the usual. At your designated time window, your pet sitter, i.e. pet care professional will discretely enter your home (our cars do not display any signage that may otherwise alert your neighbors of your absence) and spend quality time engaging your pet in playtime, yummy feedings, giving them fresh clean water, briskly paced walks and a lot of LOVE & attention. Upon request, we will then also water your plants & collect the mail & newspaper, change lighting & curtains for your home to appear lived-in.

Include:

**Feedings, Walks or Playtime, Cleanup (litter boxes or yard/kennels),
Bring in your mail / paper / packages, Take out and bring in trash bins
Water plants, Bring in or Takeout Trash
Rotate lights/blinds, Fully Customizable to Your Needs
